

The Buzz About Bees

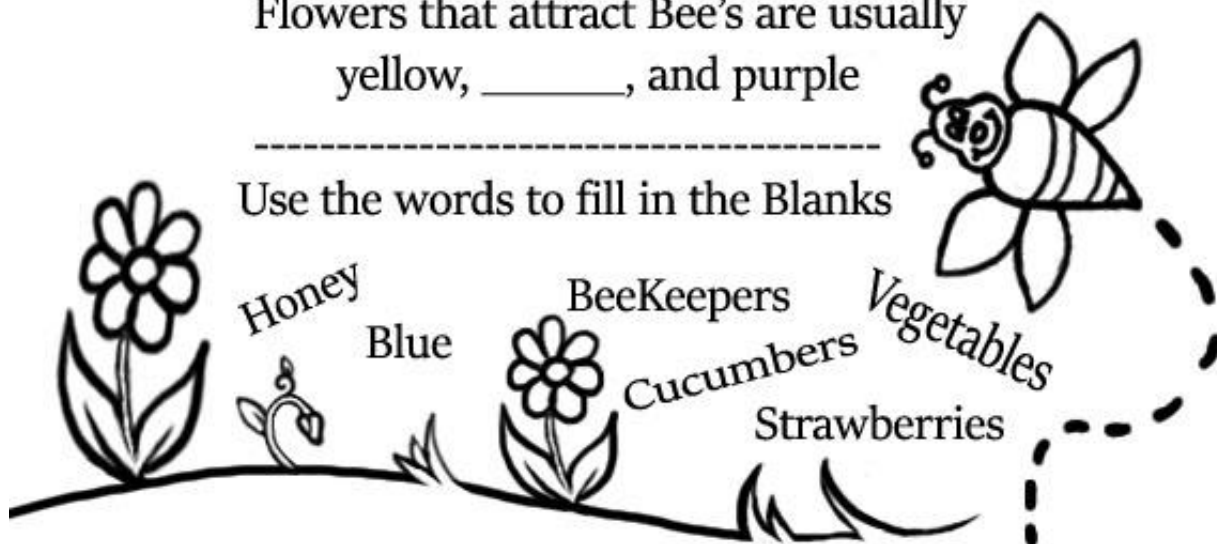

Bees are insects and closely related to Ants and Wasps. People need Bee's because they make _____ and pollinate our fruits and _____.

Without Pollination we wouldn't have foods like _____ or _____.

Farmer's often hire _____ to bring Beehives to their fields when the crop is flowering so that the bees can help us out.

Flowers that attract Bee's are usually yellow, _____, and purple

Use the words to fill in the Blanks
